

RESOLUTION NO. 2013-05

**A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF SEDONA,
ARIZONA, TO CHANGE THE FUNCTIONAL CLASSIFICATION OF THE CITY OWNED
PORTION OF STATE ROUTE 89A.**

WHEREAS, the federal "Moving Ahead for Progress in the 21st Century Act" calls for the expansion of the National Highway System (NHS) to include all street and highway routes functionally classified as Principal Arterials; and

WHEREAS, the Arizona Department of Transportation (ADOT) is coordinating with regional planning commissions and Metropolitan Planning Organizations statewide to develop a set of recommendations for submittal to the Federal Highway Administration (FHWA) regarding the NHS and any appropriate updates of functional classifications for routes off the State Highway System;

WHEREAS, in order to reclassify this section of highway, an application will be filed with the Arizona Department of Transportation through the Northern Arizona Coalition of Governments; and

WHEREAS, the functional classification of the City owned portion of SR 89A as a NHS route would have implications for the goals, objectives, operational performance and funding opportunities for the future transportation system.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF SEDONA, ARIZONA THAT:

The City of Sedona Council hereby requests that NACOG pursue with ADOT a functional classification change from Principal Arterial to Minor Arterial for the City owned portion of SR 89A, which is understood to preclude it from becoming part of the National Highway System.

APPROVED AND ADOPTED by the Mayor and Council of the City of Sedona, Arizona this 12th day of March, 2013

Robert M. Adams, Mayor

Attest:

Susan L. Irvine, City Clerk

Approved as to Form:

Mike Goimarac, City Attorney
